Other Helpful Notes

- Walmart runs will be limited and for essentials only (not prank supplies). Once counselors arrive at camp, they will not be permitted to leave until camp is over; please pack accordingly. Bring an extra towel, toiletries, etc. to share if you can please.
- Bring any medication you may need to take while you are at Camp in original bottles/package and place in a quart or gallon size ziploc bag with your name on it. All meds will be required to be kept by nursing staff during camp to ensure camper safety. You will have access whenever you need.
- Everyone must wear closed toe shoes *at all times*. Please do not pack sandals or flip flops of any kind except for shower shoes. Crocs can only be used for showering, not for camp activities.
- Be sure to check the weather and pack accordingly. Camp can get chilly at night and hot during the day so layers are helpful.
- If you pack snacks, please do not bring anything containing nuts. Some of our campers have severe food allergies and we want to keep camp safe for everyone.
- **PLEASE! NO WATER BALLOONS, WATER GUNS, KNIVES, WEAPONS, OR FIREWORKS AT CAMP. LET'S HAVE FUN AND BE SAFE.**
